

2014 National Workshop on Advances in Communication and Computing (WACC)

Assam Engineering College, Guwahati - 781013

September 26-27

Overview

The 2014 edition of the National Workshop on Advances in Communication and Computing (WACC) will be held at Assam Engineering College, Guwahati, India during September 26- 27, 2014. This will be the 4th of the series of workshops organised by the departments of Electronics & Telecommunication Engineering and Computer Science & Engineering.

The motivation behind the WACC has been to encourage students for innovation, and to provide a platform for the researchers and expose the students to recent advances in various fields of communication and computing. WACC 2014 will focus on comprehensive plenary and expert talks by reputed academicians and researchers, and technical sessions for paper presentation. In addition to these, student participants will have opportunity for hands-on experience on recent tools and technologies in laboratory sessions.

Areas of Interest

- Communication System Engineering
- Signal Processing
- VLSI and Embedded System
- Computer Engineering and information Theory
- Network Infrastructure and Communication Services

Deadlines

Submission of Regular Paper	15/06/2014
Notification of Paper Acceptance	15/07/2014
Submission of Camera-ready Paper	31/07/2014
Author's Registration	15/08/2014

Organised By

Department of Computer Science &
Engineering
Department of Electronics &
Telecommunication Engineering

About Assam Engineering College

Assam Engineering College, the first engineering college in the north-east India, was established in the year 1955. It is situated at Jalukbari in the south-west part of Guwahati, which is a landmark in the colourful and chequered history of Assam. Surrounded by the Gauhati University on the north, and Deepor Beel a bird sanctuary on the south, Assam Engineering College not only provides an ideal context for learning but also creates a charming impingement on visitors.
